Augusta University Anatomical Donation Program

Medical College of Georgia Contact Person: David Adams (no waiting period) **BODY DONATION**

<http://www.augusta.edu/mcg/cba/bodydonation/>

1120 15th Street, CB1101 Augusta, GA 30912

706-721-3731/Office 706-721-6120/Fax 706-721-8400/After hours, holidays, weekends

- If a patient dies in the hospital there is no cost to the family because the hospital can refrigerate the body.
- If patient dies at home, the family has to pay for the cost of a funeral home to pick-up the body and refrigerate it until it can be transported to Medical College of Georgia.
- Families can register on line at: www.mcg.edu ,
 - At the bottom is an alphabetical listing, click on the letter "B" and that will direct you to David Adams.
